

When you mark an email as not junk it will tell Outlook to stop sending this email from this sender or senders to the junk folder. To mark a message as not junk, do the following:

1. In Mail, click the Junk E-mail folder in the Navigation Pane.

2. In the message list, click any message that you want to mark as not junk.
3. You can right click the email itself and select **Junk** and click on the option for **Not Junk**.

4. You can also select the **Home** Tab, in the **Delete** group then click **Not Junk**.
